Elwick House, The Green, Elwick, Hartlepool, TS27 3ED

£1,995 pcm

Ugroup are pleased to release to the lettings market a rare and fantastic executive property situated within the sought after area of Elwick Village.

People often remark to us how charming a house this is occupying a most attractive site on the fringe of this pretty village. Lots of money spent on a superb Kitchen and remodeled Family Bathroom.

Property Description Probably one of the most admired properties in the area, an imposing early 'Victorian/ late 'Georgian' style double fronted 4 Bedroomed Detached Residence occupying a most attractive site of about 0.6 acres. The property has been transformed since we last saw it. A most impressive Kitchen and Utility Area have been installed to include an 'Aga' and granite worktops with quality fittings incorporated.

The Main Family Bathroom has been tastefully remodelled to include a roll edge bath, 'Wet Room' and expensive wash basin on stand and the En-Suite to the Main Bedroom has also been remodelled to include a 'Wet Room'. The property has Double Glazing, a remarkable Conservatory, Central Heating, expensive fireplaces and much more. Improvements pay due regard to the period of the property so it has been improved and not spoilt. The House has been decorated with panache and style. The 2 principal rooms flank a very impressive marbled Hall, both face south and have bay windows. The accommodation is easy to use as the superb Conservatory has access both from the Drawing Room and the Breakfast Room/Kitchen and also to the Rear Garden.

The accommodation is arranged around a very impressive Hall, with an attractive staircase leading to the First Floor, which has 4 Bedrooms (one currently has access to the 2nd Bedroom). The Master Bedroom has a 'Wet Room', nearly as desirable as the Family Bathroom, which certainly impressed us.
